Please add a short comment:

The activities were perfectly designed for us

Varied and funny

We never got bored

Busy and happy with all of them

The performances, the workshops at school, the trips, We enjoyed all of them

In one word: Perfect

8. What did you like most about the meeting you took part in?

I found the topic very interesting, all about Historical and Literary characters.

I really enjoyed the trips: different landscape, buildings, weather, all was new and exciting for me.

I loved staying at school like a Romanian student. I really felt part of it.

I loved the performances and enjoyed the selection of famous characters each country did.

9. Is there anything, in the country you visited, which is completely different from your own country?

The currency

The language

The school timetable

The daily routine

The typical costume

The water

The way students address to the teachers

The curriculum

The house design and decorations

10. How did the meeting influence your future expectations relating to your profession? Did it strengthen your motivation to learn something new (language, history...)?

I felt really happy of taking part in a European project

I never thought a school trip could be so interesting

I would like to keep travelling. Travelling is really a way to learn

I would like to apply again at university for a new Erasmus experience

This activity gave me a feeling of security towards my future. I discovered I can manage on my own in a different country

I discovered English language is a useful and interesting tool for communication.
